

# Presentations at scientific meetings

**1. Urological Society of Australia and NZ, National Conference 2022**

*Urodynamic findings in patients with nocturia and their associations with patient characteristics*

**2. Urological Society of Australia and NZ, National Conference 2022 (invited speaker)**

*Male LUTS workshop, The Underactive Bladder*

**3. Pan Pacific Continence Society 2021 (invited speaker)**

*Evaluation of pre-operative bladder contractility as a predictor of improved response rate to a staged trial of sacral neuromodulation in patients with detrusor underactivity*

**4. Pan Pacific Continence Society 2021 (invited speaker)**

*Treatment for refractory overactive bladder – sacral neuromodulation*

**5. International Continence Society 2021 (invited speaker)**

*Use of rectus or fascia lata in management of SUI and POP Workshop*

**6. 30<sup>th</sup> Malaysian Urological Conference 2021 (invited speaker)**

*Synthetic Mid urethral Sling – still a viable option?*

**7. Urological Society of Australia and NZ, National Conference 2020**

*A pilot study of autologous rectus fascial wrap at the time of artificial urinary sphincter placement in patients at risk of cuff erosion.*

**8. National Conference on Incontinence Nov 2019 (invited speaker)**

*Female urethral stricture*

**9. Pan-Pacific Continence Society International Conference July 2019**

*Would an automated booking program prevent delay in intravesical botulinum toxin injections?*

**10. Epworth Masterclass on Female Urology May 2019 (invited speaker)**

*Pubovaginal fascial sling*

**11. Urological Society of Australia and NZ, National Conference 2018 (invited speaker)**

*Pubovaginal fascial sling – who, why and how*

**12. Urological Society of Australia and NZ, Western Australia State Meeting 2017 (invited speaker)**

*Refractory OAB management – when Botox or SNM fall short of expectation*

**13. Urological Society of Australia and NZ, Western Australia State Meeting 2017 (invited speaker)**

*Impact of bladder dysfunction in the management of post-prostatectomy urinary incontinence*

**14. Urological Society of Australia and NZ, Western Australia State Meeting 2017 (invited speaker)**

*The underactive bladder: a practical guide for the urologist*

**15. Functional Urology Symposium 2017 (invited speaker)**

*The underactive bladder: what treatments are available to improve symptoms?*

**16. Urogynaecological Society of Australia Conference March 2017 (invited speaker)**

*Refractory OAB management – when Botox or SNM fall short of expectation*

**17. Urogynaecological Society of Australia Conference March 2017 (invited speaker)**

*The neurogenic bladder patient*

**18. Urological Society of Australia and NZ, Victorian State Meeting 2016**

*The Underactive bladder: a practical guide for the urologist*

**19. American Urological Association ASM 2016**

Nathan Hoag, Sophie Plagakis, Samantha Pillay, Ailsa Wilson Edwards, Johan Gani,

[Sacral neuromodulation for refractory overactive bladder after prior intravesical onabotulinumtoxinA treatment.](#)

**20. Urological Society of Australia and NZ, National Conference 2016**

Nathan Hoag, Sophie Plagakis, Samantha Pillay, Ailsa Wilson Edwards, Johan Gani,

[Sacral neuromodulation for refractory overactive bladder after prior intravesical onabotulinumtoxinA treatment.](#)

**21. Urogynaecological Society of Australia Conference 2015 (invited speaker)**

*Sacral neuromodulation workshop*

**22. Urological Society of Australia and NZ, National Conference 2015**

*The implications of prolapse in the management of OAB, Stress Incontinence, Under active Bladder, Pelvic Pain and Urinary Retention*

**23. Functional Urology Symposium 2015 (invited speaker)**

*Sacral neuromodulation – what is new?*

**24. Urological Society of Australia and NZ, National Conference 2014**

*Detrusor hyperactivity with impaired contractility and sacral neuromodulation*

**25. Urological Society of Australia and NZ, Victorian State meeting 2014**

*Tips and Techniques of sacral neuromodulation*

**26. International Continence Society Conference 2012**

Gani J, Skeldon S, Evans A, Van Der Kwast T, Radomski S

*Striated muscle in radical prostatectomy specimens: Is it predictive of post-prostatectomy urinary incontinence?*

**27. International Society of Pelvi-perineology Conference 2011 (invited speaker)**

Gani J, Yim H, Radomski SB, Catton C

*Long Term Complications in Men after Radical Prostatectomy Who Have Early or Late Radiation*

**28. American Urological Association Annual Scientific Meeting 2011**

Gani J, Yim H, Radomski SB, Catton C

*Long Term Complications in Men after Radical Prostatectomy Who Have Early or Late Radiation*

**29. Canadian Urological Association Conference 2011**

Gani J, Yim H, Radomski SB, Catton C

*Long Term Complications in Men after Radical Prostatectomy Who Have Early or Late Radiation*

**30. Urological Society of Australia and NZ, National Conference 2008**

Gani J, Brough S, Wong LM, Monsour M, Jensen R, Nguyen H

*Pudendal Nerve Terminal Motor Latency and Post Radical Prostatectomy Urinary Incontinence (Keith Kirkland Finalist)*

**31. Urological Society of Australia and NZ, National Conference 2008**

Gani J, Brennan J, Tan P, Frydenberg M

*Narrow Band Imaging vs Conventional Lighting during Flexible Cystoscopy*

**32. Urological Society of Australia and NZ, Victorian State Meeting 2007**

Gani J, S Thiyagendran, T Sekar

*Morbidity of Flank Incision in Urological Surgery*

**33. Urological Society of Australia and NZ, Tasmanian State Meeting 2006**

Gani J, S Thiyagendran, T Sekar

*Morbidity of Flank Incision in Urological Surgery*

**34. American Urological Association Annual Scientific Meeting 2005**

Lawrentschuk N, Gani J, Esler S, Riordan R, Fitt G, Bolton DM

*Modern Multidetector Helical Computed Tomography versus Magnetic Resonance Imaging for defining the upper limit of tumour thrombus in Renal Cell Carcinoma*

**35. Urological Society of Australia and NZ, National Conference 2005**

Lawrentschuk N, Gani J, Esler S, Riordan R, Fitt G, Bolton DM

*Modern Multidetector Helical Computed Tomography versus Magnetic Resonance Imaging for defining the upper limit of tumour thrombus in Renal Cell Carcinoma*

**36. Urological Society of Australia and NZ, Victorian State Meeting 2004**

Lawrentschuk N, Gani J, Esler S, Riordan R, Fitt G, Bolton DM

*Modern Multidetector Helical Computed Tomography versus Magnetic Resonance Imaging for defining the upper limit of tumour thrombus in Renal Cell Carcinoma*

**37. RACS Annual Scientific Congress 2004**

Gani J, Durairaj M, Seevanayagam S, Buxton B.

*Long Term Clinical Outcome of Patients Operated for Infective Endocarditis*

**38. Urological Society of Australia and NZ, National Conference 2005**

Gani J, Appu S, Lawrentschuk N, Rogerson J

*Memokath experience in Spinal Patients*

**39. Urological Society of Australia and NZ, Victorian State Meeting 2004**

Gani J, Appu S, Lawrentschuk N, Rogerson J

*Memokath experience in Spinal Patients*

**40. Urological Society of Australia and NZ, Tasmanian State Meeting 2003**

Lawrentschuk N, Gani J, Bolton DM, Angus D

*Spontaneous Bladder Wall Abscess*
